

Anti-Bark Spray Collar™

The Painless Solution to
Nuisance Barking!

The Anti-Bark Spray Collar stops dogs at the very moment they start barking. Its comforting effect allows dogs to adapt easily and quietly to their environment while providing peace of mind for their owner

The Anti-Bark Spray Collar is truly innovative, completely harmless and has no secondary effects.

How it Works:

Each time your dog barks, the collar releases a harmless spray that conditions your dog to stop barking.

FEATURES AND BENEFITS:

- Lightweight and comfortable
- Easy to use
- On / off switch
- One size fits all dogs
- Painless & harmless
- Safe for humans, animals, and the environment
